(hereinafter called the "Employer Bargaining Agency" or "E.B.A.")
OF THE FIRST PART

- and -

**Labourers' International Union of North America and the
Labourers' International Union of North America,
Ontario Provincial District Council, on behalf of its
affiliated Local Unions 183, 247, 493, 506, 527,
607, 625, 837, 1036, 1059, 1081 and 1089;**

(hereinafter called the "Union")
OF THE SECOND PART

WHEREAS the Union, acting on behalf of the Local Unions whose names and numbers appear on the attached Schedule 'A', and the E.B.A.

wish to make a common Collective Agreement with respect to certain employees of the Employers engaged in construction as defined in Article 1 of this Collective Agreement and to provide for and ensure uniform interpretation and application in the administration of the Collective Agreement;

AND WHEREAS the E.B.A. recognizes the Union as the Collective Bargaining Agency on behalf of the Local Unions specified in the attached Schedule 'A' with respect to the employees of Employers covered in this Agreement;

IT IS EXPRESSLY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

ARTICLE 1 - RECOGNITION

1.01 The E.B.A. recognizes the Union as the sole and exclusive bargaining agent for all construction labourers, including masons' or bricklayers' tenders, plasterers and plasterers' apprentices and all employees engaged in cement finishing, waterproofing or restoration work and all other construction employees engaged in the industrial, commercial and institutional sector of the construction industry in the Province of Ontario, for whom the Union has bargaining rights.

1.02 The Union recognizes the E.B.A. (the several parties are listed on Schedule 'C') as the sole and exclusive bargaining agent for all Employers whose employees are represented by the Union and for whom the Union has bargaining rights who are engaged in the industrial, commercial and institutional sector of the construction industry in the Province of Ontario.

1.03 The Employer recognizes each Local Union as specified in the attached Schedule 'A' to be the administrative party of this Collective Agreement for work performed within the geographical area and/or

jurisdiction of the Local Unions as defined in Schedule 'B' attached hereto.

1.04 This Agreement shall also apply to an Employer in all other sectors where the Union or any of its affiliated bargaining agents have bargaining rights in such other sectors for the employees of such Employer, provided that such Employer may become signatory to the various Collective Agreements applicable in such other sectors.

ARTICLE 2 - UNION SECURITY, WORK JURISDICTION, ASSIGNMENT OF WORK, SUB-CONTRACTING

2.01 The Employer agrees to employ only members in good standing of the Local Union specified in Article 1.03 for work covered by this Agreement.

2.02 As a condition of continuing employment, all employees shall maintain in good standing their membership in the Local Union.

2.03 The Employer acknowledges and agrees that the work covered by this Agreement is within the exclusive jurisdiction of the Union and its affiliated bargaining agents, notwithstanding the claims of any other Trade Union.

2.04 The Employer agrees that notwithstanding the claims of any other Trade Union, it shall assign exclusively to members of the Union and its affiliated bargaining agents, all of the work covered by this Agreement.

2.05 (a) For all work in the industrial, commercial and institutional sector, which is covered by this Agreement, the Employer agree to engage only contractors and/or subcontractors bound to this Agreement.

(b) For work forming part of an ICI general contract, but not covered by 2.05 (a), the employer agrees to engage contractors and/or

subcontractors that are bound to an applicable agreement with the OPDC or bound to an applicable agreement with the local Union in whose geographic jurisdiction the work is being performed.

(c) For work forming part of an ICI general contract, but not covered by 2.05 (a), the employer may also engage contractors and/or subcontractors that have an applicable agreement with an affiliate or the OPDC other than the local Union having jurisdiction over the work provided that such contractors/subcontractors maintain a ratio of 50% local Union members and 50% members from other areas with the latter not to exceed a maximum of five. The first hire shall be a key man; the second hire will come from local Union; the third shall be a key man and so on. This ratio shall be maintained on lay-off.

Any members transferred from another area under this provision shall receive the wage package in the applicable local agreement or the package in their employer's agreement whichever is superior, all other terms and conditions of their employer's agreement shall apply;

Any local Union members hired by a contractor, that is not bound to the local Union in whose geographic jurisdiction the work is being performed, shall be employed in accordance with all of the terms and conditions of the applicable agreement in the area where the work is being performed.

(d) Where an employer awards work to a subcontractor/contractor according to the provisions of 2.05 (c) and the subcontractor/contractor has violated the mobility provisions of 2.05 (c) then such violation shall constitute a violation of the mobility provisions of 2.05 (c) by the employer. Where a subcontractor/contractor violates any other terms or conditions of the applicable collective agreement then the employer shall be liable for such other violation to the extent of the violation.

(e) For all work performed under this article, working dues for all employees will be remitted to the local Union in whose jurisdiction the project is located; OPDC dues will be remitted as directed by the OPDC and Canadian Tri-Fund contributions will be remitted as directed by the OPDC.

2.06 (a) Schedule 'E' to this Collective Agreement constitutes a list of work that is claimed by the Union.

(b) Where work within Schedule 'E' is claimed by the Union and is within the I.C.I. sector and there is no work claim dispute within the meaning of Article 8.01, the work will be assigned to employees represented by the Union.

2.07 Without restricting in any way the application of the sub-contracting provision contained in Article 2.05 of this Agreement, an Employer who undertakes a contract with an owner to provide construction management services shall be subject to said Article 2.05 unless:

(i) The owner selects contractor(s) not bound to this Agreement to bid on work covered by this Agreement and solely and directly solicits or obtains bid(s) for such work from such contractor(s) without any involvement or participation by the Employer in the selection of such contractor(s) (except as to the validity of the bids) or the solicitation or obtaining of any bid(s) from any contractor(s) regardless of whether it (they) is (are) bound or otherwise to this Agreement;

(ii) The owner accepts bid(s) from contractor(s) not bound to this Agreement; and

(iii) The owner contracts or sub-contracts directly with contractor(s) not bound to this Agreement without contractual obligation of the Employer for the work of such contractor(s), other than for the negligent acts or omissions of the Employer.

2.08 Any failure to comply with Article 2.07 of this Agreement shall render the Employer liable for damages equivalent to those for the breach of the sub-contracting provision set forth in Article 2.05 above.

2.09 The Employer shall advise the owner of the provisions of Articles 2.07 and 2.08 when undertaking the construction management services contract.

ARTICLE 3 - HIRING OF EMPLOYEES

3.01 The following provisions will apply to the hiring of all employees, except as specifically provided for elsewhere in the Master Portion, Trade Appendices and Local Schedules:

(a) The Employer agrees to call the Local Union by 1:00 p.m. for its needed supply of men for the following day. All employees hired through the Union shall present to the Employer a referral slip from the Union prior to commencing employment, unless such referral has been transmitted electronically by the Union to the Employer. It is understood that if the Local Union having jurisdiction over the work is unable to provide the required men within twenty-four (24) hours, the Employer is free to hire such labour as is available, but such labour shall acquire a referral slip prior to commencing work on the second day after hiring and as a condition of employment, either be in good standing or apply for membership in the Union within seven (7) days.

The Local Union shall be allowed forty-eight (48) hours to supply men to jobs beyond fifty (50) kilometres from the point of origin as defined in Schedule 'B' hereto.

(b) The Employer shall have the right to name hire one (1) foreman per project, providing such foreman is a member in good standing of the Local Union having jurisdiction over the area and the

employee is registered on the Local Union unemployment list.

3.02 (a) Except as set out in the Appendices, an Employer may transfer up to two (2) current regular employees represented by a Local Union(s), to the jurisdiction of another Local Union. The parties agree that Article 3.02(a) is an agreement under Section 163.5(7) to lower the percentages of Articles 1 and 2 of Section 163.5(1) to the percentages provided by Article 3.02(a).

An Employer specializing in concrete cutting, coring and drilling will have mobility of two (2) key men per job, who will be employed in the operation of equipment and/or machinery for that job. Any Employer performing concrete cutting, coring and drilling other than an Employer specializing in such work will have mobility of one (1) key man per job who will be employed in the operation of equipment and/or machinery for that job.

(b) When transferring employees across Local Union jurisdictions or within a Local Union jurisdiction with more than one Wage Schedule, no employee shall suffer a reduction in wages and benefit plan contributions. Such transfer is without the requirement to transfer Local Unions, however the Employer shall remit all Local Working Dues and Local Training Fund remittances as per the Local Union Wage Schedule to the Local Union in which the work is being performed.

ARTICLE 4 - UNION DUES AND CHECK-OFF

4.01 The Employer agrees to continue in effect, regular monthly Local Union dues deductions where applicable, in accordance with the Local Union Schedule provided herein. The amount of such deductions may be varied on forty-five (45) days notice, in writing, from the Secretary-Treasurer of the Local Union. Such deductions shall be made from the first pay due the employee in each calendar month and remitted directly to the Secretary-Treasurer of the applicable Local Union by the fifteenth

(15th) day of the month following the month in which such deductions were made.

4.02 (a) The Employer agrees to deduct from each employee covered by the terms of this Agreement, working dues at the rate provided for in the applicable Local Union Schedule which shall be remitted to the Secretary-Treasurer of the applicable Local Union by the fifteenth (15th) day of the month following the month in which such deductions were made.

(b) Ontario Provincial District Council working dues consisting of thirty-five cents (\$0.35) per hour (which includes the Ontario Construction Secretariat Fund) shall be deducted and remitted by the Employer directly to the Labourers' Pension Fund of Central and Eastern Canada, along with the pension contributions.

(c) The amounts of Ontario Provincial District Council working dues deductions, as well as the recipient of said deductions, may only be altered by the Secretary Treasurer of the Ontario Provincial District Council on forty-five (45) days notice, in writing, to the Employer Bargaining Agency. In the event of conflict between this provision and any other article or section of this Agreement, including the appendices and local union schedules, this provision shall prevail.

(d) The Employer shall, when remitting such dues, submit a list of names and social insurance numbers for and on whose behalf such deductions were made, on one (1) Standard Benefits Reporting Form showing all applicable deductions and/or contributions.

(e) The aforesaid remittances shall be made directly by the Employer as aforesaid notwithstanding anything contained in any other Article, Appendix or Schedule to this Agreement.

4.03 The Local Unions, the Union and the Trustees agree to hold harmless and indemnify the Employers and the E.B.A. against any liability incurred as

a result of deductions made under Article 4.01 and Article 4.02 above.

4.04 Each Employer bound by the terms of this Agreement shall contribute an amount per hour, which includes the Ontario Construction Secretariat Fund, for each hour worked by each employee as specified in the applicable Trade Appendix or Local Union Schedule. Unless otherwise directed, such contributions shall be remitted directly to the Local Construction Association by the fifteenth (15th) day of the month following the month in which such contributions were made, together with a supporting statement on the Standard Benefits Reporting Form showing all applicable deductions and/or contributions.

4.05 The E.B.A. agrees to hold harmless and indemnify the Local Union and the "Council" against any liability incurred under Article 4.04 above.

4.06 Notwithstanding any other provision of this Agreement, Appendix or Local Union Schedule, the Employer shall pay the sum of five cents (\$0.05) for each hour worked to the Labourers' International Union of North America, Canadian Tri-Fund and remit same to the Labourers' Pension Fund of Central and Eastern Canada, or as directed by the Local Union in whose jurisdiction the work is being performed, on the fifteenth (15th) day of the calendar month following the month in which these hours were worked.

ARTICLE 5 - MANAGEMENT RIGHTS

5.01 The Union agrees and acknowledges that the Employer has exclusive right to manage the business and to exercise such right without restriction, save and except such prerogatives of management as may be modified by the terms and conditions of this Agreement. Without restricting the generality of the foregoing paragraph, it is the exclusive function of the Employer:

(a) To determine qualifications, classify, transfer, hire, direct, promote, demote, layoff, discipline and discharge for just cause, employees and to increase or decrease or transfer working forces in accordance with the terms of this Agreement. In matters of formal discipline, including discharge for cause, the employee shall be entitled to the presence of a Union Steward or Representative during the disciplinary process. It is agreed that the absence of such Union Steward or Representative shall not be a bar to the application of discipline.

(b) To determine the materials and methods to be used, design of the products to be handled, facilities and equipment required, the scheduling of the work and the locations of equipment.

(c) To determine reasonable rules and regulations to be observed by employees.

5.02 It is agreed that none of the foregoing shall be exercised in a manner inconsistent with the express provisions of this Agreement.

ARTICLE 6 - PRE-JOB OR JOB CONFERENCE

6.01 A job conference may be called in writing, on all projects and the parties agree to meet within fourteen (14) days of notice.

7.02 Occupied Premises

Occupied premises shall be defined as commercial and institutional facilities on which it is impractical to perform work during the regular business hours applicable to such business. Work within such facilities may be performed under the following conditions:

(a) Eight hours per day at the applicable straight time hourly rate to a maximum of five (5) consecutive days within each seven (7) day cycle.

(b) Applicable overtime rates shall be paid after eight (8) hours in any shift and for all work performed on the sixth (6th) and seventh (7th) days.

(c) Rates of pay referred to herein shall be in accordance with the applicable Local Area Schedules.

(d) It is understood and agreed that schools, hospitals, all processing and/or production areas in operating plants such as factories, mine properties, refineries, smelters, mills, etc. are not to be considered as occupied premises.

7.03 In Plant Repair and Reconstruction

For in-plant construction work defined as repair and reconstruction, it is understood that the Local Union and the Local Employers Group or Trade Association may adopt special conditions by mutual agreement, in writing, regarding hours of work, overtime, travel allowance and other working conditions on a project basis to better enable them to provide service to specific industrial in-plant sites where it is mutually advantageous. Any such Agreement will be in writing between the Local Union having jurisdiction in the area of the project or projects and the Local Construction Association or Trade Association, which is a party to the Trade Appendices of this Collective Agreement.

ARTICLE 8 - JURISDICTIONAL DISPUTES

8.01 When a work claim dispute arises between the Local Union and/or Council, which is a party to this Agreement, and any other Union, person or organization, which cannot be settled to the satisfaction of all parties concerned, such dispute shall only be processed as a complaint under Section 99 of the *Ontario Labour Relations Act*. In the meantime, work will continue as assigned to the Labourers by the Employer unless otherwise directed by the Ontario Labour Relations Board.

ARTICLE 9 - RECOGNIZED HOLIDAYS AND VACATIONS

(c) When any of the above-named holidays fall on a Tuesday, Wednesday or Thursday, the Employer and Local Union Business Manager may, by mutual agreement, reschedule the holiday to a Monday or a Friday.

ARTICLE 10 - PAYMENT OF WAGES

10.01 Wages shall be paid on the job by cheque weekly on Thursday or by cash on Friday before the regular quitting time. Direct deposit may be used if agreed to by the Employer and the applicable Local Union.

10.02 Accompanying each payment of wages shall be a separate statement identifying both the Employer and the employee, showing regular hours worked, overtime hours worked, the total earnings, pay period and the amount of each deduction and net earnings.

Drinkable water shall be available at all times. Sanitary toilets shall be provided in accordance with the regulations of the *Occupational Health and Safety Act, R.S.O., 1980, c. 321* as amended, the Employer agrees to provide the above facilities before production work commences on the project.

It is agreed that these facilities shall be on or in the vicinity of the working area. Such shelter shall not be used for the storage of material, equipment, and tools, which will render the area, unfit for the eating of lunches, and the storing of clothes. A separate area shall be provided for the storage of tools, equipment and materials.

11.02 (a) In co-operation with the Employer's overall programme of accident control and prevention, the Job Steward may report to the foreman for immediate corrective action, any unsafe conditions, unsafe acts or violation of safety regulations. 11.04 Helmets may be supplied by the Employer at no cost or deposit to the employee providing that he returns the helmet on termination of employment.

11.05 A Safety Committee is to be established for each Local Union that is part of this Agreement. The Committee shall be composed of two (2) members of the Local Union and two (2) representatives of the Employer. Safety meetings will be held at least once a month and may be called by either party. A co-ordinating Safety Committee will be established by the Council and three (3) members of the Employer. This Committee shall meet at least quarterly.

11.06 The Employer shall, in compliance with the *Workers' Compensation Act*, furnish to any workman injured in his employment, who is in need of it, immediate conveyance and transportation to a hospital or to a physician.

11.07 An employee who is injured in the course of performing his duties and requires medical attention and is unable to continue work shall be paid for his regularly assigned hours, including payment of other benefits provided herein on the day of injury. If he is unable to return to work, he

shall be paid his regular wages for any lost time incurred that day due to the injury.

11.08 The vehicles to be used to transport employees will be enclosed and appropriate seating will be provided and all tools will be secured in toolboxes. No materials will be carried in the vehicles in a manner endangering the safety of employees being transported.

11.10 The Employer agrees to compensate employees on proof of loss of clothing damaged by fire or theft from secured premises on the job site up to an amount of five hundred dollars (\$500.00).

11.11 The Employer will supply non-prescription safety glasses and replace same when damaged to all employees who require them, without cost or deposit to the employee, provided he or she returns the safety glasses on termination.

ARTICLE 12 - BUSINESS REPRESENTATIVES AND UNION STEWARDS

12.01 (a) The Business Manager and/or Business Representative of the Local Union shall have access to all jobs of the Employer during working hours, but in no case shall his visits interfere with the progress of work. When visiting a job, he will first report to the company superintendent or other supervisory personnel of the Employer in charge of the job.

(b) In circumstances where the Employer does not have the authority to allow access, the Employer agrees to make a joint application with the Union to the owner to gain such access prior to the job commencing.

(c) The Local Union representative, when on site, shall abide by all reasonable site regulations, safety and security rules as stipulated in the appropriate safety acts.

12.02 No discrimination shall be shown against any Union Steward for carrying out his duties, but in no case shall his duties interfere with the progress of work. It is agreed that Union Stewards may be appointed on each job of the Employer by a Business Representative of the Local Union who shall notify the job superintendent or other supervisory personnel of the Employer in charge of the job in writing or by telegram. A Union Steward shall be one of the last two (2) employees retained on the job by the Employer provided he is competent and capable of performing the remaining work on the job. Where there are two or more Stewards on a job, each Union Steward shall be one of the last two (2) employees retained on the portion of the job or operation for which the Steward was appointed and working provided the Steward is competent and capable of performing the remaining work on that portion of the job. The Union Steward on each job will be responsible for reporting any disputes to the Employer and the Local Union Representative so that these can be taken up in the proper manner without delay.

The Union Steward shall not be excluded from a gang for overtime work provided he is willing and capable of performing the available work.

12.03 The Local Union shall be notified twenty-four (24) hours before a Steward is to be laid off or transferred.

12.04 A Steward shall be governed by the conditions of the applicable Local Schedule or by this Article, whichever provides greater rights for the Steward.

ARTICLE 13 - NO STRIKES, NO LOCKOUTS

13.01 In view of the grievance and arbitration procedures provided in this Agreement, it is agreed by the Union that there shall be no strikes or stoppage of work, either complete or partial, and the Employer agrees that during the term of this Agreement, there shall be no lockout.

ARTICLE 14 - GRIEVANCE AND ARBITRATION PROCEDURE

14.01 It is the mutual desire of the parties to this Agreement that complaints of employees shall be dealt with as quickly as possible.

14.02 It is understood and agreed that before initiating an individual grievance, the employee shall, in the presence of his Steward or other Union Representative, if he so wishes, discuss the matter with his foreman and other supervisory personnel of the Employer, giving him an opportunity to deal with that complaint.

14.03 Grievances properly arising under this Agreement shall be adjusted and settled as follows:

Step 1

Within ten (10) days after the circumstances giving rise to the grievance occurred or originated (except in the case of a discharge grievance, which shall be presented within five (5) working days), the grievance shall be presented to the company, in writing, and the parties shall meet within five (5) working days in an endeavour to settle the grievance. Written notice of the grievance must be submitted to the Local Association.

Step 2

If a satisfactory settlement is not received within five (5) working

days from the meeting in Step 1 above, then the grievance may be submitted to a Committee consisting of two (2) members of the Council and two (2) members of the Employer Bargaining Agency at any time within five (5) days thereafter, but not later.

Step 3

If a satisfactory settlement is not reached within five (5) working days from either meeting above, then the grievance may be submitted to arbitration as provided in this Agreement, any time within ten (10) days thereafter, but not later.

14.04 Grievances dealing with alleged violations of payment for hours of work, rates of pay, overtime, vacation and holiday pay, shift premium, traveling expenses, room and board allowances, reporting allowances and dues may be brought forward within ninety (90) days from the date the circumstances giving rise to the grievance occurred or originated. It being understood and agreed that the above time limits do not apply to grievances concerning welfare and pension contributions, training fund, vacation pay and union dues, remittances and Employer's Fund which may be brought forward within ninety (90) days from the date the Union became aware of the alleged violation.

14.05 No grievance may be submitted to arbitration, which has not been properly processed through the mandatory stages of the grievance procedure as herein provided. Notwithstanding Article 14.06, the party initiating the grievance may opt to proceed to arbitration under Section 133 of the Act.

14.06 When either party requests that a grievance be submitted to arbitration, the party making the request shall do so in writing to the other party and at the same time, appoint an arbitrator. Within five (5) working days thereafter, the other party shall appoint an arbitrator. The two (2) arbitrators so appointed will meet at their earliest convenience

and attempt to select by agreement, a third person who shall act as Chairman of the Arbitration Board. If they are unable to agree on a Chairman within two (2) days, they will then request the Minister of Labour of the Province of Ontario to appoint an impartial Chairman.

14.07 (a) The Arbitration Board shall hear the subject of the grievance, including whether or not the matter is arbitrable, and shall issue a decision, which is binding upon the parties and upon any employee affected by it.

(b) The decision of a majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairman governs.

(c) Each of the parties shall pay one-half (1/2) of the remuneration and expenses of the Chairman of the Board.

(d) The Board shall not have the power to alter or amend any of the provisions of this Agreement.

14.08 It is understood that the Employer Bargaining Agency, on its own behalf, or on behalf of its member companies, may file a grievance with the Union and that if such complaint is not settled to the satisfaction of the parties concerned, it may be treated as a grievance and referred to arbitration in the same way as a grievance of any employee. Such grievances shall be processed in accordance with Article 14.03 of the grievance procedure set out above.

14.09 The Local Union and/or Council may file a grievance when an alleged violation occurs which is of common concern to all or a group of employees in the bargaining unit or when a dispute arises in the application, interpretation or administration of this Agreement. Such grievance is subject to the same time limits as set out in Article 14 and is to be processed in accordance with the provisions of Article 14.03.

14.10 The nature of the grievance, the location of the project involved,

the remedy sought and the article or articles of the Agreement which are alleged to have been violated shall be set out in the written record of the grievance.

14.11 In determining the time which is allowed in the various steps, Saturdays, Sundays and holidays shall be excluded and any time limited may be extended by mutual agreement in writing.

14.12 A party proceeding to arbitration before the Ontario Labour Relations Board under the provisions of Section 133 will send written notice to the Employer Bargaining Agency and the Ontario Provincial District Council of its intent to proceed to final and binding arbitration.

ARTICLE 15 - GOVERNMENT LEGISLATION

15.01 In the event that any of the provisions of this Agreement are found to be in conflict with any valid and applicable Federal or Provincial Law now existing or hereinafter enacted, it is agreed that such Law shall supersede the conflicting provision without in any way affecting the remainder of the Agreement.

16.02 Regular day shift employees shall be allowed one-half (1/2) hour lunch break near the midpoint of the shift. It is understood that no employee be required to work more than five (5) consecutive hours without a lunch break.

16.03 Employees requested to work up to two (2) hours overtime shall be provided with a ten (10) minute paid break period prior to the start of overtime work.

Where Trade Appendices or Local Union Schedules have conditions, which are better than the above paragraph, they shall remain in effect.

ARTICLE 17 - REINSTATEMENT OF EMPLOYEES UPON RETURN FROM INDUSTRIAL ACCIDENT

17.01 An employee injured in the performance of his duties will resume his former position when medically fit to do so provided his former position was filled by an employee who, subsequent to the time of injury, was hired by the Employer or transferred or otherwise assigned to such position.

An employee, who claims he has been denied employment contrary to this provision, may have recourse to the grievance and arbitration procedures as set out in this Agreement.

17.02 The above shall not apply if the injury is attributable solely to the wilful misconduct of the employee.

However, if the Local Association declines in writing to participate, then a Trusteed Welfare Plan can be established unilaterally by the Local Union.

18.02 The parties agree that there shall be reciprocation of health and welfare contributions for employees working outside of their home jurisdiction exclusively through the Labourers' Provincial Reciprocal Agreement made as of May 1, 1982 and any amendments thereto (the "Reciprocal Agreement"). The Employer and Employee bargaining agencies, all affiliated bargaining agents and parties bound to this Agreement shall take all necessary steps to ensure that all health and welfare contributions made under this Collective Agreement continue to be sent to Trust Funds that are party to the Reciprocal Agreement. 18.03 Employer contributions to the funds provided in Article 18.01(a) above shall be remitted by the fifteenth (15th) day of the month following the month for which contributions are made, together with supporting information entered on a Reporting Form as designated by the Trustees.

18.04 At no time shall Employer contributions due to the funds provided herein be paid directly to the employee.

(b) All fees and costs in connection with the Trustee appointed auditors shall be borne by the applicable Trust Fund.

(c) Where an Employer opts to direct his chartered accountant to provide a certified Audited Statement, the cost of such audit shall be borne by said Employer.

18.07 In the event such audit reveals the Employer has failed to remit contributions in accordance with the provisions of this Agreement (save and except technical and/or clerical errors), the Employer shall, within ten (10) days of receipt of written notice from the Joint Board of Trustees, conform with the following:

(i) Remit all outstanding contributions to the administrators of all Trust Funds, plus interest at the rate of five percent (5%) per month on such delinquent sums.

(ii) Complete and remit supporting contributions report forms as required by the Trustees.

18.08 If the Employer does not have any employees in his employ, a Nil Report shall be filed in accordance with the provisions of Article 18.03 above.

18.09 (i) In the event an Employer fails to conform with the provisions of Articles 18.06 and 18.07 herein, the Union, on written direction of the Joint Board of Trustees, shall forthwith submit the question to final and binding determination. Should the Local Union fail to promptly submit the question to final and binding determination as directed by the Trustees, then the Trustees may proceed directly to final and binding determination.

(ii) All fees and costs not recoverable in connection with final and binding determination under Article 18.09(i) above shall be borne by the applicable Trust Fund.

18.10 The Employer agrees to remit welfare, pension and vacation pay contributions and all proper deductions in accordance with the provisions of the applicable Schedules provided herein by the fifteenth (15th) day of the month following the month in which the hours were worked.

Notwithstanding anything contained in any other Article, Appendix or Schedule to this Agreement, proposed amendments to the amount of contributions for pension shall first be presented to and will not take effect until approved by the Ontario Provincial District Council.

18.11 All contributions to the Labourers' Pension Fund of Central and Eastern Canada shall be remitted directly and in accordance with the provisions of Article 18.03 hereof to:

The Labourers' Pension Fund of Central and Eastern Canada

Oakville, Ontario L6J 0B9

18.12 (i) In the event that a grievance alleging that an Employer has failed to make proper payments to any Trust Fund or party as required by this Agreement, the parties agree that for the purposes of determining any issue, the following presumption shall apply:

A statement signed by a member of the Union, a business representative, a trustee or the administrator of a trust fund, shall be prima facie evidence of the number of hours worked by members of the Union, and of a failure to make the appropriate payments as required by this Agreement. This evidence shall establish only a rebuttable presumption and may be challenged by the Employer with proper documentary evidence.

(ii) If the Ontario Labour Relations Board or a Board of Arbitration to which a grievance alleging failure to make applicable payments required by this Agreement, determines that an Employer has violated provisions of ARTICLE 18 -, then the Ontario Labour Relations Board or the Board of Arbitration shall also require the Employer to pay all reasonable costs incurred by the Union in prosecuting the grievance, including but not limited to all arbitration and/or Ontario Labour Relations Board fees, legal fees and costs on a solicitor and client basis, travel, meal and accommodations, cost of all witness and Business Representatives, conduct money, costs incurred in serving a summons, any expenses incurred by the Union pursuant to Section 133 of the *Ontario Labour Relations Act* or otherwise, for the Ontario Labour Relations Board and/or the Board of Arbitration.

18.13 When a delinquent Employer commences business or undertakes a project for the first time in the area of a Local Union, the Local Union may require an Employer to post or secure a letter of credit to cover any

delinquencies to the Trust Funds or Administrators as required by this Agreement. The maximum amount of the letter of credit shall be the amount the Employer would be expected to contribute for a four (4) month period.

18.14 Prepaid Legal Services

In the event a Local Joint Board of Trustees opts to establish a Prepaid Legal Services Plan during the life of this Agreement, the parties to this Agreement agree, that upon sixty (60) days of written notice, they will rearrange the total negotiated wage package in the applicable Schedule or Appendix at the time of implementation of the Plan to provide the necessary contributions for funding such Plan.

Where the Local Union and the Local Employers Association agree on a procedure to amend the terms of the Local Schedule and/or Trade Appendix, as it applies to their local area, then that procedure shall be ratified by the Employer and Employee Bargaining Agencies and Articles 20.03 to 20.07 hereunder shall not be applicable to requests for amendment(s) to the Local Schedule and/or Trade Appendix applicable to their local area.

Where a matter referred to under this Article is not resolved between the parties within seven (7) calendar days, the matter may be referred to the Provincial Joint Conference Board ("the PJCB") by either party in accordance with Article 20.02 hereunder.

20.02 Where no agreement is reached between the parties in accordance with Article 20.01, either party may refer the matter to the PJCB. The PJCB shall be made up of six (6) representatives, with three (3) appointed by the Employee Bargaining Agency and three (3) appointed by the Employer Bargaining Agency. Appointments to the PJCB shall be made with regard to the matter in dispute and will not include representatives of the Local Union, Employer Association or Trade Association party to the dispute.

The PJCB shall meet with the parties and attempt to resolve the matter(s) in dispute. The PJCB will have no power to make final and binding determination of the matter(s) in dispute, except where the parties to the dispute mutually agree to authorize the PJCB to make a final and binding determination. Where the PJCB is authorized to make a final and binding determination, the PJCB shall render such a decision based only on unanimous agreement of all members of the PJCB or in the absence of a recorded dissent by a member of the PJCB. Where the matter(s) in dispute is not resolved within seven (7) calendar days, it may be referred in accordance with Article 20.03 hereunder.

20.03 The Employer Bargaining Agency may refer any matter not resolved under the terms of Articles 20.01 or 20.02 to final and binding determinations by an Arbitrator chosen from the appended list of persons who shall be retained by the parties for the duration of the Collective Agreement.

20.05 The Employer Bargaining Agency shall submit its final position with regard to amendments to the Collective Agreement, to the Arbitrator, with a copy to the Employee Bargaining Agency, and the Employee Bargaining Agency shall likewise submit its final Proposal for Amendment (if any) to the Collective Agreement to the Arbitrator. The Arbitrator shall, at his or her sole discretion, hold hearings or request further clarification from either party, and if satisfied that the terms of the Collective Agreement places the Employer(s) at a competitive disadvantage, the Arbitrator shall choose the Proposal for Amendment to the Collective Agreement, which removes the competitive disadvantage. Such selection shall be made within fourteen (14) calendar days of the date of the referral by the Employer Bargaining Agency and shall amend the Collective Agreement as proposed. The Arbitrator shall not provide reasons for his or her selection.
